MEMORANDUM FOR: Special Assistant, Vietnamese Affairs

SUBJECT: [REDACTED]

1. Attached for your review and consideration is a copy of [REDACTED] Field Reassignment Questionnaire in which he expresses an interest in an assignment with your Staff upon his return to Headquarters. Also attached is his official personnel file. I believe you know [REDACTED] and are familiar with his work in Saigon.

2. In the interest of considering alternative assignments for [REDACTED] upon his return to Headquarters, this Office would like to know whether you might be interested in [REDACTED] assignment to your staff and, if so, whether you will have an available position when he returns in September 1967. This Office has a definite assignment for him, but since he has expressed an interest in your Staff, I thought it might be useful to explore this possibility before responding to his Field Reassignment Questionnaire. At the present time we are not considering an extension, however may do so if the existing policy on dependents changes within the next few months and we are able to accommodate to the condition which he attached to his request for a nine-month extension.

3. I will be glad to discuss this with you at your convenience if you like.

[REDACTED]  
Chief, Administrative Staff, ORR
